

13 measures that Les fermes PB is committed to respect in order to prevent the spread of COVID-19

- 01** Frequent hand washing.
- 02** Avoid touching your eyes, nose and mouth on shifts, otherwise hand washing is required.
- 03** Wearing a face cover at all times. Wearing protective equipment for production workers (mask, gloves, clothing covers).
- 04** Avoid close contact with anyone who has symptoms of Covid-19.
- 05** Avoid direct contact for greetings.
- 06** Employees stay at home if they are not feeling well, and a test is requested if symptoms are present.
- 07** Plan tasks in order to respect the 2 meters physical distance.
- 08** Respect of physical distancing at all times.
- 10** Sneeze and cough into your elbow.
- 11** Regular cleaning of surfaces frequently affected and touched.
- 12** Outside packages deliveries when it's possible. Delivery man wears a mask and gloves at all times.
- 13** No equipment sharing, otherwise disinfection between each use.
